## DISORDERS IN BELGIUM.

## GERMAN SOLDIERS RIOTING.

LONDON, Nov. 17. Renter learns that the King and Queen of Belgium have postponed their entry into Brussels.

The Belgian Army began to advance on the capital on November 14th. A correspondent who entered the city ascertained that there were serious disorders on the part of the German soldiers on November 10th, 11th and 12th.

Three Delegates from Hamburg arrived on November 10th and had conferred with the German Headquarters. Governor-General Falkenhayn conferred with the Delegates and, then appearing on the balcony, announced his resignation. Thereupon the German officers were stripped of their insignia, some of them doing so voluntarily.

Soldiers entered the park and smashed the guns. They then formed a procession, carrying Red flags and singing the Marseillaise.

Crown Prince Rupprecht arrived on November 11th and was refused shelter at the Dutch Legation and the Spanish Legation.

A mob of Belgians, in the evening, burned some kiosks and German newspapers. German soldiers fired killing 12 and wounding 39 civilians.

Fighting was renewed on November 12th but was confined to drunken German soldiers. There were many casualties. The Germans then began to retreat.

The Soviet posted machine-guns at street corners with a view to overawe the would-be pillagers.

The city is intact, with the exception of a few houses wrecked by the riots. Prince Rupprecht fled to Holland on November 14th and Prince Etzel Fritz, on the same day, was in Louvain, where he was defended by 100 Imperialist soldiers.

Governor-General Falkenhayn has disappeared.

The Soviet is sitting in the Senate. The most unwashed private are fraternizing with monopolized officers, including Baron Lucken, General Hard and General Fremont who professed adherence to the new order.

## ASSEMBLY OF BELGIAN PARLIAMENTS.

LONDON, Nov. 18. Renter learns that the Belgian Parliament will probably assemble at Brussels on November 21.

## THE USITATION IN HOLLAND.

## EXCITEMENT SUBSIDING.

AMSTERDAM, Nov. 14. Revolutionary Socialists, yesterday attempted to release arrested Soldiers-Councilors. The troops guarding the barracks fired, killing three and wounding eight.

Trades unions in provincial cities have refused to join the Revolutionaries. The speeches at a meeting of M. Troelstra's followers yesterday were much more moderate than M. Troelstra's recent pronouncement.

The excitement generally has subsided and citizens in many places are volunteering to help the Government to maintain order.

## POSITION WELL IN HAND.

LONDON, Nov. 16. Renter is informed that authorities' telegrams from Holland show that the situation is distinctly improved.

Disturbances have occurred at Amsterdam, but the position is now well in hand.

The Queen is popularly greeted.

## FOOD RELIEF FROM THE ALLIES.

LONDON, Nov. 16. The Press Bureau announces that the Allied Food Council in London has arranged for the diversion to Rotterdam of the steamship *Ada* carrying 7,000 tons of wheat, in order to relieve the serious distress in Holland.

## GOVERNMENT SUPPORTED.

LONDON, Nov. 17. Continued discussion of the Socialist threat of revolution by the Dutch Second Chamber indicates that the Government is supported by practically all parties except the Socialists, but there is a strong feeling in favour of an extension of the rights of the working classes.

## SHIPS FOR FRANCE.

LONDON, Nov. 17. It is semi-officially announced that Great Britain has agreed to send to France half a million tons of British shipping, one-third at the conclusion of hostilities, one-third during the year after the war and the remainder during the succeeding year.

## SHANGHAI CHAMPIONS.

## A SENSATIONAL RACE.

The races on 'Champions' Day at Shanghai were spoilt to a great extent by the miserable weather. Rain began to fall in the early hours of the morning, and fell so persistently that by the time the first exciting race was over the track was a muddy sea.

The following is the result of the Champion Sweepstakes:

1st. The Champion Sweepstakes. Value: £1,000. Second prize, £1,000. Third prize, £1,000. For all China. One mile and a quarter.

Mr. Eraz's grey Triumph (Mr. Eraz) 153-8.

Mr. Bonar's blk. Black Jester (Mr. Commons) 153-9.

The most sensational race of the meeting started well with Triumph in the lead, with Sir Lamerock second and the mile post went into the lead and kept it all the way round to the Monument, with Night Hawk in attendance, Triumph being tied off at Probat's Corner. Castlewood led round the bend, closely attended by Castlefield, who on entering the home straight came right away amid the applause of the stands. Up the straight Castlefield made the pace entirely his own and increased his advantage until when passing the post he must have had a lead of about 20 lengths from Castlewood, who was unable to respond to such a challenge. Silver Streak, who came through at the same time as Castlefield, was third to Castlewood. Won by many lengths, four between second and third.

It is the fifth time that Castlefield has won the Champion Stakes at Shanghai.

## THE MURDER OF THE TSAR.

A message received by Reuter's Agency from the correspondent of the Associated Press, dated Archangel, August 16, says: "No trace was found of the body of the Tsar Nicholas when the Czechs arrived at Ekaterinburg on July 20, according to information brought to Mr. Francis by an officer of the Czech Army, who has arrived at Archangel with despatches from the American Consul at Ekaterinburg, after a long and perilous trip through two lines of hostile Bolsheviks. The officer said there was no definite information as to how the Tsar's body had been disposed of, but the report to which most credence was given was that it had been taken to the deepest pit in the Ekaterinburg coal mine, where it was destroyed."

## "OUR DAY" RESULT.

[To the Editor of the "CHINA MAIL."] Hongkong, 18th Nov., 1918.

Sir.—The accounts of "Our Day" 1918 having been closed and the figures published showing a total of £10,830 to the credit of the Red Cross, it remains to acknowledge the services of those who contributed towards this successful result.

The ladies who assisted Mrs. Gurner and Mrs. Rulphs in the organisation of Lady May's Rose Fund were responsible for the collection of no less a sum than \$19,796.45; the number of helpers makes it impracticable to acknowledge their services individually, but the Committee desire, by this general acknowledgment in the Press, to mark their warm appreciation of the services rendered.

The articles disposed of by the auction were kindly presented by Madame Yvanovich, Mrs. Ritchie, Mrs. Basto, Messrs. Powell, Madame Plims, Madame Lily, "Snuffer" Fox, Terrier, Mrs. Dalphs and Mr. Hancock, and those with the *Vindictive* photograph, realised the handsome total of \$5,000.

The report of the Gymkhana Club, covering the afternoon, has already been published in full.

At the Evening Fete, the whole of the Firework display was given by the Japanese Community, who for this purpose had the set pieces specially designed in Japan and brought down under the supervision of an expert. The Chinese Community, in addition to their subscription of \$27,435.88 from the theatre (elsewhere acknowledged in detail) provided the juggler, and Messrs. Pathe Freres the Cinematograph entertainment; while the Portuguese Community undertook the whole organisation of their extremely successful stall, which beyond the collection of the prizes (all, including the motor car, presented free) entailed a vast amount of detailed work for a long period in advance.

The Band of the Portuguese Philharmonic Society under Band Director A. J. M. Rodrigues, pointed their community in giving their services throughout the evening; and the Committee desire especially to convey to the Consul-General for Portugal and his compatriots their appreciation of these efforts, and their congratulations on the successful result.

The Hongkong Electric Co., to whom Mr. Van Andel of the Holland China Trading Co. was good enough to supply a number of lamps—carried out the whole of the lighting arrangements, and supplied all the current free of charge; every detail of design and supervision being dealt with by Mr. Paisley.

The Hongkong Hotel and M. Y. San Co. provided all refreshments and returned their gross takings to the Fund. Sing Fuk Kik provided decorative lanterns and Nanyang Bros. cigarettes, all sold for the benefit of the Fund. Assistance was indeed received from very many sources—and the readiness with which it was invariably given went far to lighten the work of the Committee.

A number of acknowledgments have already been made in the letter of the Gymkhana Club and the Chinese Community but in addition to those therein mentioned thanks are due to Messrs. Moutrie & Co., Ltd., Anderson Music Co., and the Robinson Piano Co. for their gratuitous assistance in the sale of tickets; to the Police and the Police Reserve for their services throughout the day; and to the members of the Volunteer Fire Brigade who were on duty both afternoon and evening. I have the honour to be, Sir, your obedient servant,

E. R. HALLIFAX.

Hon. Sec. "Our Day" 1918.

THE VICTORY SMILE

SEE him smile. He has heard the great good news and it pleases him immensely as it pleases every one of us. Who is he? Never mind. It's a sure thing he's no Hun. They can't smile that way in Germany nowadays. There is something behind that smile that you should know.

HE has been thinking out how to help the boys who have won the great Victory and he has come to a decision. The decision is to devote all his spare cash to help the wounded and he is going to have some fun for his money. You will see him on HEATHER DAY buying rosettes, you will see him at St. Andrew's Fair shying balls at the effigy of Kaiser Bill and just for luck, he is going to buy some Tickets in St. Andrew's War Bond Drawing. He knows where the money is going and he feels in a much happier mood over parting with it than he did last year at this time. You think it all out and you, too, will stomp up and smile.
